- no preservatives added

"NATURALLY THE BEST"

We all know the value of good-tasting, nutritious food. At TymeK's we use only locally grown vegetables and run our production according to traditional recipes. We do not add any preservatives or artificial ingredients and there is no pasteurization involved, as a result, all our products provide a rich source of probiotic and Vitamin C goodness. TymeK's Natural Foods has been supporting Ontario farmers for 25 years. Our unique and authentic products are available to you right here in the GTA or through one of our many clients across Ontario. Our products have been recognized and awarded multiple times by the National Post in best product and best quality category.
